The old transmitter for the above Radio Stations

I have permission to remove this old equipment. Tom, N9HR, and I will be removing it and making this room usable.

Current “Ham” Radio Equipment:

2M 145.19 PL 123

D*Star 440.150

APRS 144.390

New Owners are fixing up the place

Old tower lights, New ones installed and working
On March 31, 2022 Red at night White during
Daylight

Replaced old roof plywood, new shingles, soffit and fascia.

Great to see these improvements!
